Króna

Satisfying the customers beyond all doubt has been the topmost priority of Asahi Enterprises, and thus we make no compromises when it comes to achieving this goal. Beginning our journey in the year 2005, we have established ourselves as a reliable Manufacturer, Exporter and Supplier based in Delhi, India. Obtaining the finest raw materials from government certified vendors, assures our patrons of getting a range of products having zero-flaws. Under the brand name Kwalitiy we have given superlative products to our valued customers all over India. The numerous items provided by us include-Insulated Water Jugs, Casseroles, Microwavable Plastic Products and Insulated Tiffins, Undertaking numerous customized requirements of our patrons, we see to it that the team does justice to their laid down specifications and deliver them with an elegant, sophisticated and result-driven gamut of products.

Products offered by us

Being extremely portable in nature, our jugs are leak proof in nature. The ability of our tiffins to keep the food warm for prolonged periods of time enables them to be a wide choice in numerous shops, offices and homes.

- Microwavable Plastic Products
